

DECLARATION AND POWER OF ATTORNEY

Mr. Stephen M. Bisque, Mr. Thomas M. Bisque, Mr. Daniel R. Bisque and Mr. Matthew L. Bisque, the petitioners, declare that we are citizens of the United States of America, that we are residents of the United States of America, and residents at the post office address set forth below.

That we verily believe that we are the original, first, and sole inventors of an invention entitled "SYSTEM FOR OPERATING AN ASTRONOMICAL OBSERVATORY OVER A NETWORK" described and claimed in the specifications and shown in the drawings; That we have reviewed and understand the contents of the specifications, claims and any amendments to the specifications and claims.

That we do not know and do not believe that the invention was ever known or used in the United States before our invention thereof, or more than one year prior to this application, or in public use or on sale in the United States more than one year prior to this application;

That we acknowledge our duty to disclose information of which we are aware and which is material to the examination of this application in accordance with Title 37 C. F. R.1.56(a); That the subject invention has not been patented or made the subject matter of an inventor's certificate issued before the date of this application in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than six months prior to this application; and

That no application for patent or inventor's certificate on the subject invention has been filed by us or our representatives or assigns in any country foreign to the United States.

As the named inventors, we hereby appoint the following attorneys to prosecute this application and transact all business in the United States Patent and Trademark Office connected therewith.
